## The Camp Goes Green

An exciting topic to learn English and have fun !!!  
This theme helps set the tone for all sorts of fun activities where kids explore, discover and grow!

This week we will be sharing lots of environmentally friendly games and tasks. Along with arts and crafts projects, hands-on science, scavenger hunts and much more campers will learn more about how to reduce, reuse, recycle, and recover!

**Main outcome:** creating, designing their own object from recycled material.

Thinking of a solution to protect the planet.
